## CUSTOMISATION

### WE CAN HELP YOU BUILD YOUR BRAND

#### PERSONALISE YOUR SUCCESS

Our material and design experts can help you get the most out of your brand by providing smart customised solutions – whether you run a hotel, restaurant or café.

A one-stop-shop, we provide top-quality solutions for all customisation needs. In doing so, we offer a market-leading choice of eco-conscious materials, designs and colours.

#### GET THE BEST OF BOTH WORLDS

Combining local support with a global network, we can deliver top quality profiled-printed napkins, table covers, slipcovers, tête-à-têtes, placemats and coasters. We can also emboss items and create specially made packaging.

These can make a big difference to the success of your business, helping you to project professionalism and simplify day-to-day operations.

#### CREATE YOUR OWN CONCEPT

Even better, all the products we offer meet EU regulations and are designed to work together. So they make it easy to create an integrated concept.

Just like the solutions we offer, the process we use is proven and convenient. It reflects many years' experience of collaborating with leading HORECA brands to ensure you get exactly the right solution.

#### FOUR EASY STEPS:

1. Decide which product(s) to be printed, embossed or specially made
2. Agree on optimal material(s), design(s) and colour(s)
3. Visualise product(s), gather feedback and finalise
4. Organise production and delivery
