

# PROFESSIONAL News 19

# Editorial

We keep approximately 2000 Professional products from over 250 productions worldwide ready in our central warehouse in Kall. On this basis, we offer you—our customers in the retail, catering, fast food and all other professional end users—the highest stock availability with the fastest delivery. Our product ranges are continuously adapted to the changing needs of the market and to new consumer trends. Thus the need for sustainability is a top priority in our product development. This innovation in the product line design and the sophisticated logistics justify the extraordinary power of the concept PAPER STAR GmbH. We guarantee our customers a fast and reliable supply of the daily required products from our company.
